Re: State Specifications and Estimates Office
Section **524**
Proposed Specification: **5241000 Concrete Ditch and Slope Pavement.**

Dear Mr. Nguyen:

We are submitting, for your approval, two copies of the above referenced Supplemental Specification.

This change is proposed by Melissa Hollis of the Estimating Systems Support Office to clarify the language regarding basis of payment for removal of existing concrete pavement for consistency with Section 520 (concrete curb and gutter) and Section 522 (sidewalk and driveways).

Please review and transmit your comments, if any, within two weeks. Comments should be sent via email to SP965DS or daniel.scheer@dot.state.fl.us.

If you have any questions relating to this specification change, please call me at 414-4130.

Sincerely,

Signature on file

Daniel Scheer, P.E.
State Specifications Engineer
