### **MEMORANDUM**

**DATE:** February 3, 2010

**TO:** District Specifications Engineers and Central Office Staff

**FROM:** Rudy Powell, P.E., State Specifications Engineer

**SUBJECT:** MANDATORY SPECIFICATIONS REVISIONS  
January 2010 Workbook: Mandatory Revision No. 3

The following specification revisions must be made to all projects let effective with the referenced letting date:

Specification Number	Heading	Revision Date	Effective Letting Date	Remarks
SP7151600	Highway Lighting System – Method of Measurement	1-22-10	3-10	Add this Special Provision. Usage note: 715-19-1XX High Mast Light Pole, Complete Pay Items

Some projects with high mast lighting, complete, furnished and installed, include the foundation in the cost of the high mast lighting as directed in the Basis of Estimates Manual; but some projects provide a separate pay item for the foundation. This change clarifies the cost of the foundation is to be included in the cost of the high mast lighting pole. A mandatory is needed to provide consistency as soon as possible. The usage of this Special Provision is specific to projects with pay items 715-19-1XX High Mast Light Pole, Complete.
