

CERTIFICATE OF AUTHORITY TO EXECUTE AGREEMENTS  
REGARDING RELOCATION OF PLANT REQUIRED BY  
HIGHWAY, ROAD AND STREET CONSTRUCTION OR CHANGES

I, ERIC B. RUDOLPH, Assistant Secretary of Southern Bell Telephone and Telegraph Company, a Georgia corporation (the "Company"), do hereby certify that in accordance with the by-laws of the Company, Executive Instructions have been promulgated which delegate authority to certain officers, agents and employees of the Company to enter into contracts and agreements on behalf of and in the name of the Company. Such Executive Instructions authorize a vice president to execute contracts and agreements with government agencies covering the relocation of plant required by highway, road and street construction or changes. This authority would be applicable to agreements with the Florida Department of Transportation, such as Utility Relocation Agreements, and may be executed in Florida by Vice President-Network or Vice President-Florida. No corporate seal is required for the proper execution of such documents by the Company. The Executive Instructions also provide that a vice president may grant or release easements. Thus, within Florida, the Vice President-Network or the Vice President-Florida may grant or release such easements in Florida and no corporate seal is required for such execution.

IN WITNESS WHEREOF, I have hereunto set my hand and affixed the corporate seal of the Company this 12 day of November, 1990.

Dear Mr. Kaczorowski:

A few months ago my staff received a telephone call from Jerry Sasser, DOT Utility Engineer, of your office requesting that we provide you with an updated letter of authorization concerning who may sign contracts and agreements with governmental agencies relative to the reimbursement of plant required by highway, roads, street construction or changes.

Our legal staff has researched the issue and set forth the authorization below:

Where the contract or agreement provides for the Company to be reimbursed for the proper and appropriate portion of relocation, the General Manager-Network may sign the contract with the governmental agency.

Where no provision for reimbursement is included in the contract or agreement, or where the contract or agreement includes the condition that the execution on the part of the Company does not prejudice its rights to subsequently enter claim for reimbursement in such a manner as the Company deems proper, the Vice President-Network may sign the agreement with the governmental agency.

Mr. Paul J. Kaczorowski

Regarding your request for a resolution waiving the necessity of a corporate seal, it has been the traditional agreement between the Florida Department of Transportation and Southern Bell that a stamp be placed on the agreement stating, "Waiver of Corporate Seal on File with Resident Attorney, Florida Department of Transportation, Tallahassee, Florida". All future utility agreements requiring the seal will be stamped with this wording.

If you have any questions or need further information, please call me or Vic Beninate at 904-224-9561.

Sincerely,

A handwritten signature in cursive script, appearing to read "Paul J. Kaczorowski".

NOTICE OF PROPOSED AGENCY ACTION  
ORDER APPROVING NAME CHANGE

FAX \_\_\_\_\_ FED X

BY THE COMMISSION:

NOTICE is hereby given by the Florida Public Service Commission that the action discussed herein is preliminary in nature and will become final unless a person whose interests are adversely affected files a petition for a formal proceeding, pursuant to Rule 25-22.029, Florida Administrative Code.

Effective midnight on December 31, 1991, Southern Bell Telephone and Telegraph Company (Southern Bell) changed its legal name to BellSouth Telecommunications, Inc. (BST or the Company). The change of name occurred concurrently with the merger of South Central Bell Telephone Company and BellSouth Services, Inc. with and into Southern Bell. The Company will continue to do business in Florida under the name of Southern Bell Telephone and Telegraph Company.

In accordance with Rule 25-9.044(1), Florida Administrative Code, the Company filed a notice with this Commission adopting, ratifying, and making its own all rates, rules, classification and regulations of Southern Bell.

The name change is a result of corporate restructuring and did not involve any change of ownership. Any changes in capital structure will be addressed in the context of the pending rate case. Upon review, we approve the name change.

ORDER NO. PSC-92-0079-FOF-TL  
DOCKET NO. 920009-TL  
PAGE 2

On January 22, 1992, Southern Bell filed a Petition for Waiver of Rule 25-9.044(3), Florida Administrative Code. The Rule at issue provides that when a company changes its name it "shall issue and file in its own name rate schedules and regulations on additional or revised sheets of its existing tariff." Since BellSouth Telecommunications, Inc. will continue to do business as Southern Bell Telephone and Telegraph Company, the Company argues that reissuance of the existing tariff would likely cause confusion among customers and entail administrative costs and burdens which will not be needed until such time as telephone service is provided under the name BellSouth Telecommunications, Inc.

On February 14, 1992, the Company amended its January 22, 1992, Waiver Request and sought a declaratory statement on the issue of whether placing stickers on its current tariff to reflect the name change and, on a going forward basis, filing future tariff pages to reflect that BellSouth Telecommunications, Inc. is doing business as Southern Bell Telephone and Telegraph Company complies with the Rule. Should the Commission find that the sticker solution is inappropriate, the Company asks that the Rule be waived. While the Amended Petition requests a declaratory statement, counsel for the Company has indicated that a separate declaratory statement is not necessary. Counsel is not opposed to having the issue addressed in an order regarding the name change.

Upon review, we find that placing stickers on the existing tariff to reflect that BellSouth Telecommunications, Inc. is doing business as Southern Bell Telephone and Telegraph Company and, on a going forward basis, having the Company file future tariff pages which reflect the same, represents substantial compliance with Rule 25-9.044(3), Florida Administrative Code.

Therefore, it is

ORDERED by the Florida Public Service Commission that the Company's request to change its name on Certificate No. 8 from Southern Bell Telephone and Telegraph Company to BellSouth Telecommunications, Inc. d/b/a/ Southern Bell Telephone and Telegraph Company be approved. It is further

ORDERED that placing stickers which reflect the name change on the Company's current tariff pages and, going forward, filing future pages under the new name complies with Rule 25-9.044(3), Florida Administrative Code. It is further

ORDERED that if no timely protest to this proposed agency action is received, this docket shall be closed.
