VSTRUCTURAL LLC ("VSL") claims a strict proprietary right in all drawings, specifications and calculations ("Information") set forth on this sheet. The use of such information in whole or in part, or any reproduction thereof, is restricted to the site for which it was prepared and to the material and/or service provided by VSL. Any other use is strictly prohibited, and VSL DISCLAIMS ANY LIABILITY therefore.

VStructural LLC (VSL) SHOP DRAWING

These shop drawings illustrate the details of the VSL Post-Tensioning System. They were prepared in conformance with the structural design provided to VSL by project owner or its representative. VSL took no part in the preparation or review of said structural design and VSL DISCLAIMS ANY LIABILITY for it. The stamp or seal of a VSL employee on these shop drawings pertains only to the transfer of the forces required by the engineer of record on the structural drawings, and not to the adequacy of the structural design. NO WARRANTY, EXPRESSED OR IMPLIED, as to the adequacy of the structural design is made by virtue of any such stamp or seal.
