A Guide to Transportation Safety Resources in Florida

What is SafeandMobileSeniors.org?

This new Web site has been developed by the Florida Department of Transportation's Safe Mobility for Life Program, along with their program partners to consolidate transportation safety information and resources concerning Florida's mature drivers and pedestrians.

Who Would Benefit From This Web Site?

The Web site benefits not only seniors, but also families, caregivers, aging service providers, law enforcement, local governments, planners, engineers, Community Traffic Safety Teams, and all others interested in promoting safety and mobility for Florida's elder citizens.

What Type of Information is Available?

Here is a sample of the information you can access on this Web site:

- Driver Skills Assessment
- Driver Licensing Requirements
- Correct Positioning in the Vehicle
- Local Resources for Transportation Alternatives
- Florida Traffic Laws
- Education and Training Opportunities
- The Role of Physicians and Law Enforcement in Senior Driver Safety
- Roadway Improvements to Help Enhance Safety
- Potentially Hazardous Roadway Conditions
- Resources for Engineers and Planners
- Buying a Safe Car
- Adaptive Equipment
