Dear Mr. Tillander:

Thank you for your letter of July 28 requesting approval for the Florida DOT and local jurisdictions to use Traffic Signal Photo Enforced signs statewide in Florida, including on State highways and on the local jurisdictions' roadways. Your request is made under the provisions of Section 1A.10 of the 2009 edition of the *Manual on Uniform Traffic Control Devices for Streets and Highways* and our Interim Approval Memorandum IA-12 dated November 12, 2010.

Your request is approved. Please develop and periodically update a list of all locations where Traffic Signal Photo Enforced signs are installed in Florida. Your specific approval has been assigned the following number and title: "IA-12.7 – Traffic Signal Photo Enforced Sign – Florida DOT." Please reference this number and title in any future correspondence.

Thank you for your interest in improving highway safety. If we can be of further assistance on this matter, please contact Mr. Eric Ferron at [eric.ferron@dot.gov](mailto:eric.ferron@dot.gov).

Sincerely yours,

Mark R. Kehrl  
Director, Office of Transportation  
Operations
